
EXPERIENCE

Team leader ATLAS Semester Project January 2021–present

🔍 Team leader of a team of six in an socio-technical project to research, analyse, and produce an advisory report on the implementation and future prospects of the cascading macroalgal biorefinery concept for sustainable use of oceans.

Committee members S.A. Atlantis August 2020–present

- 🎭 Secretary of Music, Theatre, and Arts Committee
- 🎤 Chair of Media Committee
- 📅 Co-chair of Yearbook Committee

Lead design engineer F1 in Schools™ 2017–2020

🔧 Led a team of six in an multidisciplinary STEM project to deploy CAD-CAM software to design, analyse, manufacture, test, and race model-sized Formula 1 cars. Competed against 50 teams from 27 countries and finished with second best total race time.

Management team Local Interact club 2017–2019

🌐 The Interact club at my secondary school – part of Rotary International – organises social projects and fundraising events for charities, aimed to make a difference in the local community and form connections with local schools and institutes.

Editor-in-chief School magazine and Press club 2016–2019

📷 Founding member, editor-in-chief, and head photographer of my secondary school's Press club. Responsible for school event photographs, editing, and compilation of multimedia.

The Duke of Edinburgh's International Award 2015–2018

🏆 World's leading international youth achievement award, consisting of four main components: community service, skills, physical recreation, and adventurous journey. Volunteered as a teacher for children in a slum community in Bangkok.

Graphic design intern Far East Fame Line DDB 2018

🎨 Worked in the multimedia department; helped manage and design brand identity for clients.
