## Profile

Bachelor student in the Liberal Arts and Sciences program at Tilburg University majoring in Social Sciences. I am a driven worker, fluent in 2 languages and have a basic understanding in 2 more languages. In my free time I enjoy volunteering to help give back to my community.

## KEY SKILLS

Critical Thinking – I can analyze situations from a critical perspective.

Collaborative/Interpersonal – I enjoy working in groups and learning from the personal knowledge other group members provide. I enjoy working with people who bring in a new perspective on important issues.

Initiative – I can initiate and organize large group events and am able to create groups, such as the GSA (Gender and Sexuality Alliance) if there is a need.

Leadership – I can take charge and divide tasks between small groups of people having had experience running the GSA as well as the Student Council.
